

MTM COLLEGE OF ARTS, SCIENCE AND COMMERCE
PAZHANJI, VELIYANCODE, MALAPPURAM
AFFILIATED TO UNIVERSITY OF CALICUT

Annual Report: Department of Computer Science (2018-2019)

UG ADMISSION

Programme	No of Seats including Marginal Increase	No of students admitted
B Sc. Computer Science	24	20

CERTIFICATE COURSE:

1. VEDIC MATHEMATICS.

Introduction:

The Department of Computer Science at MTM College embarked on its journey in the academic year 2018-2019 with a vision to impart quality education aligned with the evolving needs of the industry and society. The department takes pride in its commitment to supporting students from economically disadvantaged backgrounds, facilitating their journey toward academic and professional success.

Inauguration and Activities:

The department commenced its activities in 2018 with 20 students and 2 faculties. The inauguration featured an online treasure hunt and an insightful seminar and workshop Statistical Tools in Research by HR experts Mr. Bilali from Keltron Edappal. Mr. Mohammad Bilal, S1 CS welcomed the gathering, Mr. Dipesh, Asst Prof. Dept of CS presided over the meeting, and Backershandid delivered the inaugural address. The department emphasizes nurturing true leaders through dedicated professional training.

Association Programs:

The B.Sc Computer Science Association organized various programs throughout the academic year. Notable events included the 'Halloween Day' celebration, Scholarship Program, and PSC Week.

Halloween Day (31-10-2018):

- Inaugurated by HoD Mr. Ajeesh with faculty Mr. Dipesh presiding.
- Activities: Halloween challenge, Puzzle, Horror short film, Apple Dive, Face Painting, Horror TikTok competition.

Scholarship Program:

- As a positive initiative, the Department of Computer Science conducted a scholarship drive for college students. Many deserving students received scholarships through this drive. Juzuli and Backershan, S1 CS students, played a crucial role in coordinating the event under the guidance of Mr. Dipesh, Assistant Professor in the Department of Computer Science.

Industrial Visit:

- Collaborative visit with BA English to Hilite Business Park and Babtra Training Software Company.
- HR expert Mr. Deepak conducted a session, and the team visited 'Saplin Web Namasthe,' a IT firm.

PSC Week:

- Conducted a PSC mock test and provided coaching for 36 students.
- Organized under the supervision of B.Sc students and staff members.

Conclusion:

The inaugural year of the Department of Computer Science witnessed a successful initiation into academic and extracurricular activities. The commitment to quality education, industry relevance, and support for socio-economically challenged students remains at the forefront of the department's mission. The collaborative efforts of students, faculty, and industry experts have laid a strong foundation for the department's future endeavors. We extend our gratitude to all who contributed to the success of the department during this academic year.
