

## **Quality Policy**

MTM College of Arts, Science and Commerce, Veliyancode believes in value based education. The college focuses on the efforts to educate youth of the socially, economically and educationally backward coastal rural area of Veliyancode, where the college is situated.

We plan to achieve this through the following means:

- Providing quality education to all students in a safe, non discriminatory and inclusive environment.
- Nurturing amongst the staff and students, a desire for social, economic, intellectual and moral development.
- Instilling amongst the staff and students, respect for core values such as honesty, loyalty, perseverance, compassion, social awareness and civic responsibility.
- Inculcating student centric activities.
- Providing staff development programmes.
- Installing continues Student and staff evaluation programmes.
- Preparing the students to become knowledgeable and responsible citizens of tomorrow.
- Involving the people of the rural, coastal neighbourhood in all possible educational, cultural and sports activities in the campus.
