Strategic plan 2024

Agenda

- Promotion of Supplementary Courses

- NAAC Accreditation Procedure

- Advocating for Technology-Integrated Classes

- Conduct Regular Internal Audits

- Integrate Student Feedback in Accreditation Processes

Faculty Engagement

- Engaging faculty in course promotion

- Benefits of supplementary courses

- Incentivizing faculty involvement

- Measuring faculty participation

- Success stories of faculty engagement

Accreditation Procedure

- Understanding NAAC accreditation criteria

- Preparing for the accreditation process

- Documenting evidence of compliance

- Outcomes and impact of NAAC accreditation

- Best practices for successful accreditation

Technology-Integrated Classes

- Benefits of technology in education

- Overcoming challenges in technology integration

- Empowering faculty with tech skills

- Case studies of successful tech-integrated classes

- Strategies for sustainable tech integration

MTM COLLEGE
ARTS, SCIENCE & COMMERCE
Affiliated to University of Calicut

Strategic plan 2025

Agenda

- Faculty Recognition Program

- Research Collaboration Spaces

- Supplementary Courses

- Cross-Departmental Curriculum Committee

- Industry Advisory Boards

Institute a Faculty Recognition Program

- Criteria for recognition

- Nomination process

- Award categories

- Celebrating achievements

Facilitate Research Collaboration Spaces

- Designing collaborative spaces
- Technology support
- Interdisciplinary projects
- Incentivizing collaboration

Promotion of Supplementary Courses

- Identifying relevant topics

- Delivery methods

- Faculty involvement

- Student engagement

Implement a Cross-Departmental Curriculum Committee

- Curriculum review process

- Alignment with industry needs

- Streamlining course offerings

- Student feedback mechanisms

Establish Industry Advisory Boards

- Recruiting industry experts
- Engaging with employers
- Curriculum relevance
- Internship and career opportunities

Strategic plan 2026

Continuous Improvement and Innovation

- Adapting to market trends

- Developing agile processes

- Implementing feedback loops

- Fostering a culture of experimentation

- Promoting creative thinking

- Leveraging new technologies

Technological Advancement

- Utilizing big data analytics

- Embracing artificial intelligence and machine learning

- Enhancing cybersecurity measures

- Integrating Internet of Things (IoT) solutions

- Leveraging cloud computing

- Harnessing the power of automation

Career Development and Placements

- Providing professional development programs

- Facilitating industry partnerships

- Offering mentorship opportunities

- Supporting job placement initiatives

- Promoting entrepreneurship

- Encouraging lifelong learning

Institutional Growth and Outreach

- Fostering strategic alliances

- Expanding global reach

- Engaging local communities

- Supporting diversity and inclusion

- Enhancing public-private partnerships

- Building a sustainable future

Academic Excellence

- Enhancing curriculum quality
- Promoting research and innovation
- Fostering a culture of excellence
- Empowering educators and students
- Adhering to accreditation standards
- Cultivating a vibrant learning environment

Strategic plan 2027

Agenda

- Introduction to Holistic Institutional Development

- Community Engagement and Partnerships

- Infrastructure Enhancement Strategies

- Global Collaborations and Research Initiatives

- Institutional Excellence and Accreditation Process

Holistic Institutional Development

- Strategic Planning and Vision

- Capacity Development

- Creative Problem Solving

- Innovation and Entrepreneurship

- Sustainable Development Initiatives

Community Engagement and Partnerships

- Stakeholder Engagement

- Public Awareness Campaigns

- Public-Private Partnerships

- Social Responsibility Initiatives

- Inclusive Community Development

Infrastructure Enhancement

- Modernization and Upgrades

- Environmental Sustainability

- Smart Technologies Integration

- Strategic Resource Allocation

- Disaster Preparedness Measures

Strategic plan 2028

Agenda

- Introduction to Academic Expansion and Technological Advancements

- Campus Infrastructure Enhancement

- Faculty Mentorship Programs

- Industry-Linked Internship Programs

- Center for Skill Development and Vocational Training

- Innovation and Entrepreneurship Center

- Alumni Scholarship Program

Campus Infrastructure Enhancement

- Green spaces and sustainable design
- State-of-the-art research facilities
- Modern student housing
- Enhanced transportation and accessibility
-

Faculty Mentorship Programs

- Mentorship for academic and career guidance

- Research collaboration opportunities

- Personal and professional development

- Faculty support for student initiatives

Industry-Linked Internship Programs

- Hands-on learning opportunities

- Collaboration with leading companies

- Professional skill development

- Pathways to employment

Center for Skill Development and Vocational Training

- Practical and technical skill development

- Certification programs and workshops

- Career readiness initiatives

- Promoting lifelong learning

Innovation and Entrepreneurship Center

- Support for startups and innovation hubs

- Entrepreneurship education and resources

- Networking and mentorship for aspiring entrepreneurs

- Fostering an innovative ecosystem

Alumni Scholarship Program

- Financial support for deserving students

- Alumni contributions to educational initiatives

- Creating opportunities for underprivileged students

- Building a strong alumni network
