### Initiatives and Achievements:

- 1. Adoption of Online Teaching and Youtube Channel enhancement:** In response to the challenges posed by the COVID-19 pandemic, the college introduced new online teaching methods using platforms such as **Google Meet and Zoom**, alongside enhancing their **YouTube channel with approximately 1000 video classes covering 85 subjects**. This ensured that students continued to receive quality education in a virtual environment.
- 2. Teacher Training:** The IQAC organized training sessions to equip teachers with the necessary skills and tools to effectively conduct online classes. This helped in maintaining the continuity of education during the pandemic.
- 3. Enhanced Laboratory Facilities:** The college has made significant improvements to its laboratory facilities, particularly in the computer lab, to ensure that students have access to state-of-the-art equipment and resources for practical learning. This includes the acquisition of six new computer systems of high configuration and the installation of a new backup battery, along with the application of a new air conditioning system for the computer lab.
- 4. Clubs and Cells:** Approximately 10 new clubs and cells were introduced to encourage extracurricular and co-curricular activities among students. These platforms provided opportunities for skill development and personal growth.
- 5. Quality Assurance:** The IQAC consistently monitored and maintained quality standards in all college activities, both online and offline. This commitment to quality ensured a seamless transition to the digital learning environment.
- 6. Ponnani International Film Festival:** MTM College successfully hosted the International Film Festival Ponnani, showcasing a diverse range of films and fostering cultural exchange and artistic appreciation. The decision made by the Internal Quality Assurance Cell (IQAC) of MTM College to back all the initiatives associated with PIFF reflects the institution's dedication to fostering cultural exchange and artistic development. The college serves as a vital hub for this week-long cinematic celebration, hosting an array of events, screenings, workshops, and discussions. These activities are carefully designed to engage students, faculty, and the local community in a profound exploration of cinema and the arts.

By opening its doors to the film festival, MTM College also creates a platform for academic collaboration. Students and faculty members have the unique opportunity to immerse themselves in the world of filmmaking, art, and culture through participation in lectures, seminars, and hands-on workshops. This integration of academics with the world of cinema enhances the educational experience and offers potential research and internship opportunities.

### **7. Five Day Faculty Development Programme**

In response to the unprecedented challenges posed by the Covid-19 pandemic, MTM College Veliancode orchestrated a transformative five-day Faculty Development Program (FDP) from May 25 to May 29, 2021. With a keen focus on the theme "Effective Mentoring in Times of Covid," the program aimed to address the intricate intersections of mental health and mentorship within the educational landscape. This report provides a detailed exploration of the FDP, delving into each day's unique contributions, insights from expert presenters, and the overall impact on the participating faculty members.

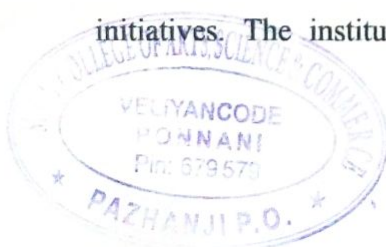

The five-day FDP on "Effective Mentoring in Times of Covid" emerged as a commendable effort to address the evolving needs of mentorship during the global pandemic. The program's success lay in its ability to foster collaboration, disseminate valuable insights from experts, and empower educators with practical approaches to mentorship. As the educational landscape continues to adapt to unprecedented challenges, initiatives such as this FDP play a pivotal role in equipping mentors with the skills and knowledge necessary to guide and support their mentees effectively.

### **8. One Day Faculty Development Programme - "Pedagogical Challenges in the Future - NEP 2020" :**

MTM College celebrated a significant milestone by hosting a One Day Faculty Development Program (FDP) on "Pedagogical Challenges in the Future - NEP 2020" on March 27, 2021, organized by the IQAC. The FDP aimed to equip educators with insights into evolving pedagogical strategies aligned with the National Education Policy (NEP) 2020. Dr. P.P. Abdul Razak, the resource person, provided valuable perspectives on challenges and opportunities for Higher Educational Institutions in implementing NEP 2020. The program, featuring a silent prayer, welcome address, and keynote from Dr. Razak, emphasized the NEP's role in reshaping higher education with a focus on skill development, interdisciplinary studies, and technology integration. It addressed pedagogical challenges in the future, discussed strategies, and highlighted opportunities, concluding with the importance of aligning college practices with NEP 2020's transformative vision. The FDP served as a crucial step in preparing faculty to contribute effectively to the policy's implementation.

### **Conclusion :**

MTM College has demonstrated resilience and adaptability in the face of challenges posed by the COVID-19 pandemic, showcasing a commitment to quality education through innovative initiatives. The institution successfully transitioned to online teaching, invested in faculty training,
